

TINA KEHR CONRAD SCHOLARSHIP APPLICATION ***[2022]***

Tina Kehr Conrad graduated from Edgewood High School in 1986; attending Edgewood Schools from kindergarten through her senior year. She graduated from Miami University with a Bachelor's Degree in Education.

In 2009, Tina was diagnosed with Breast Cancer. Tina fought an incredible battle against this awful disease for 15 months and passed away in 2010, leaving behind a loving husband of 20 years and 3 wonderful young boys.

Tina's Angels, A Kehr/Conrad Foundation, was created in 2013 as a way to honor and remember Tina, while allowing her legacy to live on while helping others in the area who are battling breast cancer. Tina was a faithful, loving, witty, compassionate, and humble woman who touched and impacted many lives. She always saw the best in everyone, sincerely caring about others and putting their needs before hers.

Tina's Angels works with women and men (and their families) in the Cincinnati/Dayton area who are battling breast cancer; and will also be offering (1) (\$1,000) scholarship to a graduating senior of Edgewood High School's class of 2022. To be eligible for the scholarship, the (Edgewood) student must be pursuing their Associate's or Bachelor's degree or furthering their education through a trade or vocation.
